

VEDIC AROMA

The Vedas represents the most ancient document of humanity. The word “veda” itself means “knowledge”.

It consist of four volumes of highest kind of poetry:

1. **The Rig Veda** (the oldest & the largest of them, containing ten thousand verse)
2. **The Yajur Veda**
3. **The Sama Veda** and
4. **The Atharva Veda**

While **AROMATHERAPY**, as old as vedas, is the study of scents using pure & natural essentials oils & herbs for physical & emotional health & well-being.

We have combined the knowledge from old vedas into these incense. Let these incense stick be lit, carrying our prayer and hope for tomorrow’s world.
